Know, Love and Serve God By Loving

**Celebrating
Discipleship**

Jesus singled out Mary Magdalene, Thomas & Peter. They moved from doubt to faith to defend the spirit of Jesus. They would acquire the skills to witness that Jesus is alive and God is present.

At Annunciation Catholic Church, we have the privilege of doing the same today!

Celebrating Discipleship begins with our 2008 Fall Festival and ends with our parish Thanksgiving service. During this time, please pray and discern your personal commitment to Know, Love & Serve God by Loving & Serving Others.

Attend Mass each weekend and hear your brothers & sisters in Christ witness that "Now is the acceptable time! Now is the day of salvation!" (2 Cor 6:2).
